BLK

3D mesh
Three-dimensional produced distance mesh to provide increased moisture and temperature management.

Breathable upper
Increased moisture and temperature management for extended wearer comfort.

Tiger Grip Technology
Outsoles with Tiger Grip technology are renowned for their slip resistance, ability to withstand wear and tear and excellent traction on different surfaces, even wet and uneven ones. They are crafted with an exclusive rubber compound and engineered with specific patterns and grooves to enhance grip and stability.

Removable insole
Renew your insole at a regular base or use your own orthopedic insoles for a higher comfort.

Heel energy absorption
Heel energy absorption reduces the impact of jumps or running on the body of the wearer.

Environments:
Dry environment, Uneven surfaces

Maintenance instructions:
To extend the life of your shoes, we recommend to clean them regularly and to protect them with adequate products. Do not dry your shoes on a radiator, nor nearby a heat source.
